How to Use This Binder

Your Complete Senior Dog Health Planner

Welcome to your Senior Dog Care Binder! This complete health planner is designed to help you track every aspect of your aging dog's well-being in one place.

"Think of this binder as a single place to record everything important about your dog's health throughout their senior years."

Each section includes easy-to-use trackers, logs, and assessments to help you:

- Monitor daily care and routines
- Track arthritis and pain levels
- Record medications and vet visits
- Spot changes in weight and appetite
- Prepare for emergencies
- Make informed end-of-life decisions
